

**TO BEGIN:**

Option A: If you know the Smelter Identification Number, input the number in Column A (columns B, C, E, F, I and J will auto-populate) & will gray out.

Option B: If you have a Metal and Smelter Lock-up name combination, complete the following steps:  
 Step 1. Select Metal in column B.  
 Step 2. Select from drop-down in column C (wrong combinations will trigger RMI color).

Option C: If you have a Metal and Smelter Name combination, complete the following steps:  
 Step 1. Select Metal in column B.  
 Step 2. Enter "Smelter Name Lockup" in the Smelter Lockup drop-down and complete column B & C.  
 Step 3. Enter all available smelter information in column D through Q.

(\*) Mandatory fields are marked with an asterisk.  
 (†) Entry required when Smelter Lockup = "Smelter not listed".

NOTE: A combination of columns A, B and C may be used to complete the Smelter List. Do not enter unpopulated cells. All errors in the Smelter Lockup should be reported to RMI. [RMI@icma.org](mailto:RMI@icma.org)
